(Be the architects of the future)

The investiture ceremony at Vydehi School of Excellence for 2013-14 saw the torch bearers, the innovators and leaders upholding the values of the school. These leaders who occupy the most coveted positions will provide direction to their friends and juniors, aiding in the smooth governance of the school. They are the school senate. The school witnessed the solemn ceremony in the presence of parents. Harjeet Kakkar, CEO of Vhīr4u and Wonesty, was the chief guest. He advised students to be the architects of the future and builders of a collective vision, thereby leaving behind a legacy for all to cherish. Shalini Dutta, Country Head of Vhīr4u, motivated and encouraged students to dream big and aspire high. Principal Mathews extended her best wishes to the newly-formed senate.

VYDEHI SCHOOL FOR EXCELLENCE

Initially, we gave more children a chance to take part but finalized on a few. The selected kids worked on it whenever! Apart from the topics being competition is the opportunity to be able to come up with ideas and bring their concepts into one painting and then work together. Teachers too were able to get involved in selecting the best ideas of the children. Abida Begum, Principal

We asked them to come up with ideas. They came up with sketches and guided them with size and other such aspects. About 15-20 children and then picked the best to do the piece of work. Syed Bagwan, art teacher

Teachers' Day was celebrated with great enthusiasm at Vydehi School of Excellence. The entire programme was planned and managed by the students. The day began with the pre-primary children welcoming their teachers on arrival by applying the traditional tilak. This was followed by a special assembly. The students paid tribute to Dr Radhakrishnan and their beloved teachers through speeches, poems, skits and dances. Each teacher was honoured by the management with a memento as a token of appreciation for their effort.

Health and nutrition month

umpionship was agr for the third r, bringing to an nter-Presidency tition.

Vydehi School of Excellence celebrated 'Health and Nutrition' month recently. They participated in a plethora of educational, entertaining and thought-provoking activities. A special assembly on 'Health and Nutrition' marked the start of events. Doctors from Vydehi Hospital talked to the students about the importance of proper diet and hygiene. An oral healthcare workshop was conducted by Dr. Pavanalakshmi from Vydehi Hospital. The session 'brushed' up the knowledge of students about oral hygiene, dental care and interesting facts

about our teeth. The month ended with a visit to Nandini dairy farm where the children were able to observe the process of milk production and understand the importance of milk in their daily diet.
